Dear Mr. Smathers:

This acknowledges receipt of your fax dated 29 November 2011 concerning your 15 July 2011 Freedom of Information Act (FOIA) request, submitted on behalf of MuckRock News, for **“all records of complaints made concerning parking, parking lots, parking spaces or other parking related issues where the parking lot in question is on CIA property and the complaint was made between 1/1/2000 and the first day of substantial search for records response to the request. Specifically you state “I do not consent to limiting the search to CIA originated records.”**

We can appreciate your concern with not having received a final response to your request. It is the overwhelming number of requests and their complexity that causes delays in our responses. Our policy is to handle each on a first-in, first-out basis, which we believe is the most equitable for all requesters. Again, we regret that we are unable to give you a definite date for completion and ask for your continued cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Viscuso", with a long, sweeping horizontal line extending to the right.
